EXPERIENCE • INNOVATION • EFFICIENCY

SDI is an innovative consulting firm with over 38 years of experience specializing in food service, laundry, and back of house design and planning in multiple markets. Our team has planned and designed projects worldwide and is structured to deliver creative, functional designs that build in long-term flexibility and efficiency.

Our reputation for the highest standards of design and a singular passion for excellence is the commitment and foundation for how we approach every project. Additionally, our knowledge of the latest innovations in architecture, design, and culinary vision keep us ahead of the curve.

HOSPITALITY
INTERNATIONAL
PUBLIC ASSEMBLY

A meal plays a vital role in expressing comfort and care. SDI designs health care facilities that promote healing through patient-focused food and nutrition programs compatible with those found in quality hospitality establishments. More important, we ensure the highest degree of patient food safety through the use of state-of-the-art equipment and the application of best practices in food handling and services, such as HACCP.
