BACK OF HOUSE  
DESIGN & PLANNING

EXPERIENCE • INNOVATION • EFFICIENCY

SDI is an innovative consulting firm with over 38 years of experience specializing in food service, laundry, and back of house design and planning in multiple markets. Our team has planned and designed projects worldwide and is structured to deliver creative, functional designs that build in long-term flexibility and efficiency.

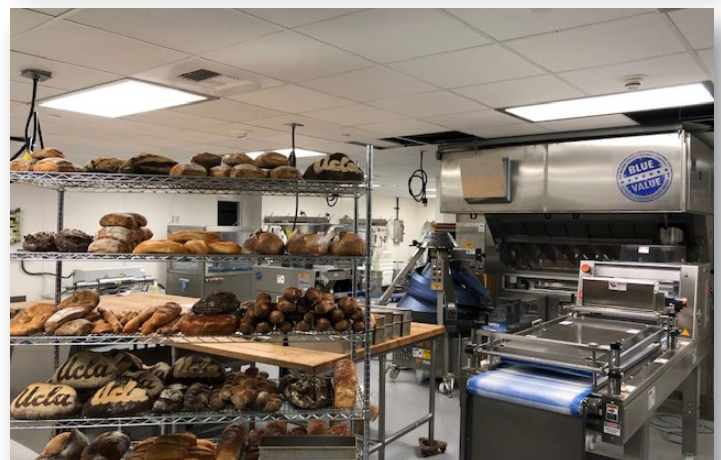

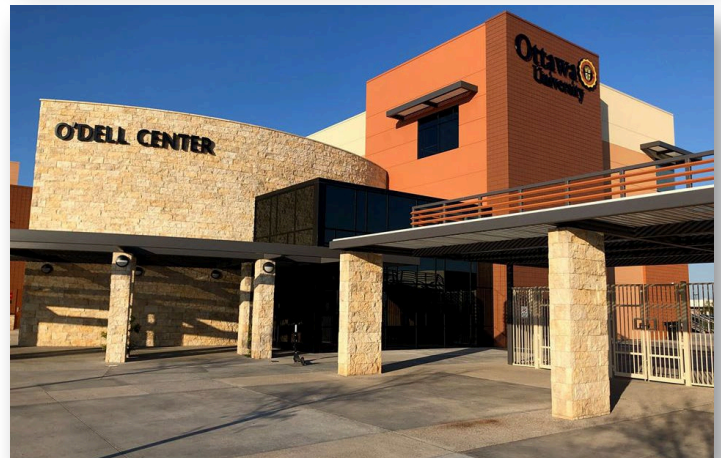

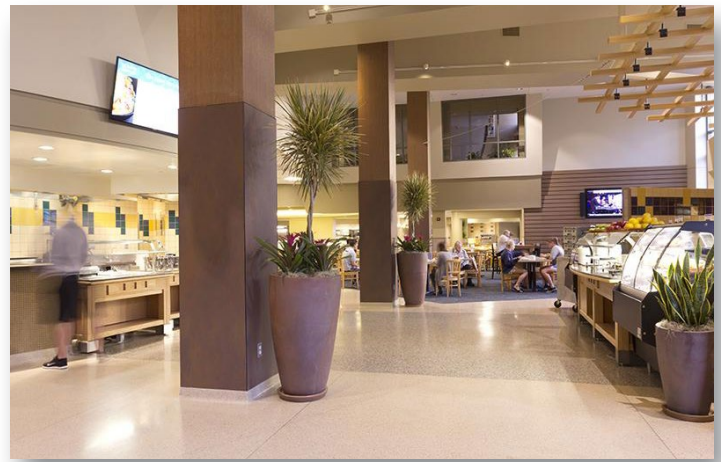

Our reputation for the highest standards of design and a singular passion for excellence is the commitment and foundation for how we approach every project. Additionally, our knowledge of the latest innovations in architecture, design, and culinary vision keep us ahead of the curve.

- INTERNATIONAL
- PUBLIC ASSEMBLY

At their heart, educational projects are as much about socializing as giving students plenty of popular, nutritious food options. But in a postpandemic world, food and facility safety are now the primary project drivers, requiring changes to menus, ordering, and food delivery. SDI works with the architect and owner to synthesize the modified service options available design facilities for maximum flexibility, HACCP compliance, and best practices.
