EXPERIENCE • INNOVATION • EFFICIENCY

SDI, is an innovative consulting firm with over 35 years of experience specializing in food service, laundry, back-of-house, design and planning in multiple markets. Our team has planned and designed large global projects and is structured to deliver creative functional designs that build in long-term flexibility and efficiency.

Our reputation for the highest standards of design and a unique passion for excellence is the commitment and foundation of how we approach every project. Additionally, our knowledge of the latest innovations in design, architecture and culinary vision keep us ahead of the curve.

PUBLIC ASSEMBLY

Educational projects require the research of local trends and conditions in order to assist the owner and the design team to achieve a common goal such as; highly functional kitchens, laundries and back-of-house facilities with the most economical configuration. SDI is a creative and adaptive consultant that is aware of the latest trends in equipment and design and is always there to assist, advise, and guide you with your complex projects.
