EXPERIENCE • INNOVATION • EFFICIENCY

SDI is an innovative consulting firm with over 38 years of experience specializing in food service, laundry, and back of house design and planning in multiple markets. Our team has planned and designed projects worldwide and is structured to deliver creative, functional designs that build in long-term flexibility and efficiency.

Our reputation for the highest standards of design and a singular passion for excellence is the commitment and foundation for how we approach every project. Additionally, our knowledge of the latest innovations in architecture, design, and culinary vision keep us ahead of the curve.

Today's workforce demands a greater variety of food and beverage options that are healthy, delicious, and offer a good value; corporate stakeholders are pressed to increase productivity, promote wellness, and retain staff, all with fewer resources. SDI works to bridge this divide, designing an array of food service outlets that promote interaction and reflect the corporate culture, while also addressing practical business objectives.
