STYLE

SDI, is an innovative consulting firm with over 35 years of experience specializing in food service, laundry, back-of-house design and planning in multiple markets. Our team has planned and designed large global projects and is structured to deliver creative functional designs that build in long-term flexibility and efficiency.

Our reputation for the highest standards of design and a unique passion for excellence is the commitment and foundation of how we approach every project. Additionally, our knowledge of the latest innovations in design, architecture and culinary vision keep us ahead of the curve.

Consulting firms in the food service and laundry industry are not created equal. What distinguishes SDI from other consultants is the degree of experience, innovation and efficiency. Our work is also progressive, realistic, and client-driven. We understand the practical business and operational issues driving your project and to how to integrate them into flexible, state-of-the-art facilities that are economically viable and operationally sound.
